

INTRODUCTION

Our college has a well-furnished Digitalized Language Laboratory sponsored by CPE(Centre for Potential Excellence) , UGC, New Delhi in the year 2005-06 with a sanction of Rs. 08 Lakhs. The language laboratory is an audio or audio-visual installation used as an aid in modern language teaching. Short Term Courses on Communication Skills in English Language has been conducted in the language lab. This Laboratory has been helping in developing the communication skills of the students and making them employable.

The Language has installed "**Renet**", "**ReLan**" and **Globarena, Hyderabad** for language and communication skill development. The Lab has one teacher computer and 19 number student computers. Emphasis is laid on developing group discussion skills, body language and communication skills of the students in the labs so that they are ready for any job by the time they leave college.

LANGUAGE LAB

In an era where getting a job has become fiercely competitive, students must be confident to face interviews and participate in group discussions. This is where the language laboratory is of immense help to them. A Language Laboratory is a facility where students use technology to learn a new language. The college has a well-equipped Language Lab with LCD Projector –Audio-video facilities, computers, and micro phones. Language laboratories have become mandatory in all colleges and universities.

The Language Laboratory is very useful for assessing students' speech. It provides students with the technical tools to get the best samples of pronunciation of the language. The electronic devices used will stimulate the eyes and ears of the learner to acquire the language quickly and easily. The language laboratory which consists of twenty computers, aids students in improving information technology by developing language skills. **The Lab is situated on the 2nd floor of the Bigyan Bhawan adjacent to the computer hub of the college.**
