

WIFI

The College has completely overhauled its Wi-Fi system in the academic year 2016-17 through BSNL., enabling the College Campus to become completely Wi-fi enabled. The campus has been enabled with internet bandwidth services with 24X7 support, providing anytime anywhere access to knowledge and learning resources. Keeping in line with demand from students and faculty, the internet bandwidth is enhanced., with players like BSNL. Over 200+ LAN points were augmented across the campus, computer labs and office spaces. The campus backbone network was upgraded and Wi-Fi Network points over 80+ numbers were deployed across the campus in both main campus, academic blocks, East campus and 03 hostels blocks for boys and girls with 24X7 internet service, enabling students and faculty to stay connected and access academic content, anywhere in campus.

The College campus is fully Wi-Fi enabled which can be accessed by students and staff members in the academic block, tutorial block, corridors, open areas, hostels and sports complex. Users are provided a secure access with a login ID and password for using Wi-Fi facility through laptops. The Wi-Fi facility is available in Digital library, office and NAAC room. The leased line of bandwidth-2 MBPS is installed recently to update IT facilities of the college. The students and the teachers can make use of these facilities during working hours under the supervision of the faculty concerned, and get updated in their technical ability which is the need of the hour.
