NEWSLETTER

F.M. AUTONOMOUS COLLEGE, BALASORE, ODISHA

"The end-product of education should be a free creative man, who can battle against historical circumstances and adversities of nature."—Dr. Sravapalli Radhakrishnan

FROM THE PRINCIPAL'S DESK

Extremely glad to announce that the IQAC of the institution has taken initiative to publish its Annual Newsletter for the session 2023-24. Needless to speak of the glory and academic excellence of the premier institution is caring long since. Fakir Mohan Autonomous college, Balasore an academic Utopia, successfully provides needful teachings to the budding intellectuals to foster in them the real spirit of Ideal Citizenship and to prepare them for building the nation. Since its inception (1944) before independence, this institution has been catering to the thirst of knowledge of the students of the state and abroad with the help of committed teachers. Most of the offsprings of this institution have gone to the zenith of success and placed in higher positions in different sectors in the state and abroad. The academic fragrance of this Utopia is inextinguishable and I cherish it to spread to the entire globe. This Newsletter brings into the pages the invaluable memories and achievements in form of words and images for the posterity of students to recollect and gather inspiration for them. I congratulate the IQAC coordinator and other valued members on their active involvement for the publication of the newsletter 'THE CANVAS'.

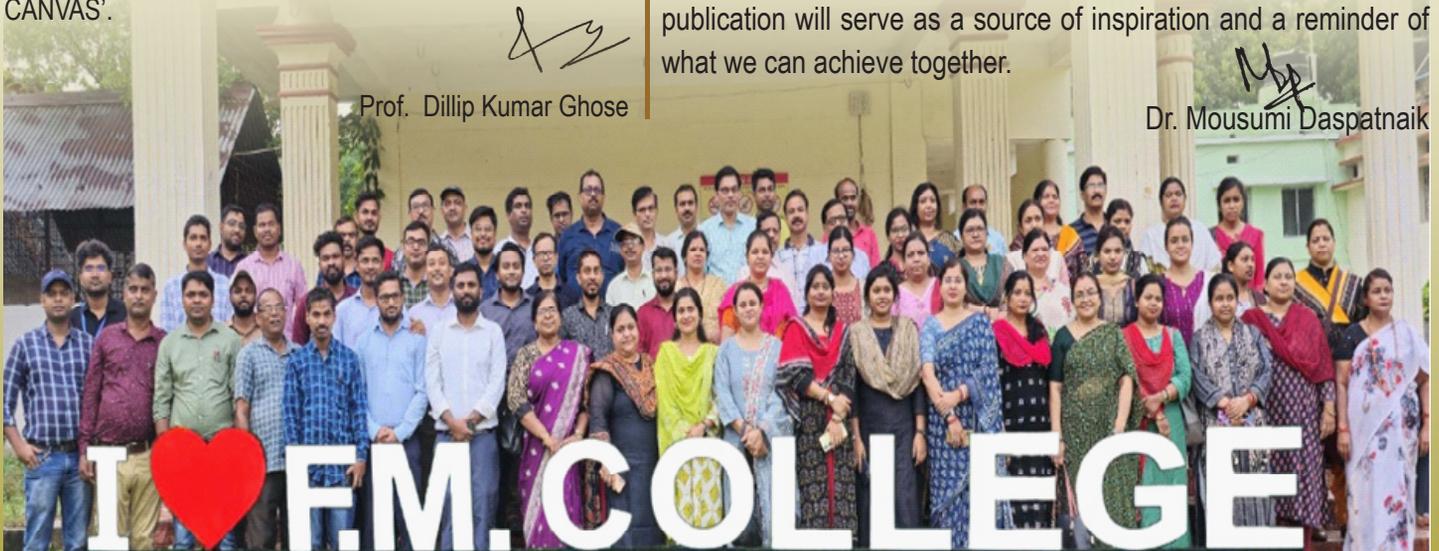

Prof. Dillip Kumar Ghose

FROM THE EDITOR'S DESK

Named in honour of the illustrious litterateur Fakir Mohan Senapati, our institution has a long-standing legacy of academic excellence, cultural heritage, and a commitment to holistic development. Over the past year, our college has continued to uphold these ideals, achieving noteworthy accomplishments in diverse fields. The rainbow of events conducted by Fakir Mohan Autonomous College spread over the academic year 2023-24 are portrayed in its "CANVAS". From academic advancements and research contributions to sports achievements and cultural activities, each page of this Annual bulletin tells a story of passion, resilience, and dedication. This small yet inspirational compendium is a humble effort to present the significant achievements of students and faculty members in academics as well as extra-curricular activities. The galaxy of events and their impact on the holistic development of the institution are narrated at a glance. This inaugural edition of CANVAS highlights the entire domain of calendar engagement in a nutshell. As we reflect on this past year, we also look ahead with optimism and express our sincere gratitude to the entire Fakir Mohan Autonomous College family for their invaluable contributions to this bulletin and to the growth of our institution. We hope this publication will serve as a source of inspiration and a reminder of what we can achieve together.

Dr. Mousumi Daspatnaik

You can do what I can not do, I can do what you cannot do. Together we can do great things.

COLOURS OF OUR VICTORY

The success of the students is the ultimate aim of every educational institution. Our students made us proud in every field of the curricular and extracurricular activities and brought glory to the college. These pages are a short tribute to our achievers who are going to be the part of a great legacy of Fakir Mohan Autonomous College. This institute has given a great set of scholars as the flag bearers of the exotic journey of their professional and personal lives. We wish the same for our achievers. All the Best for your bright future.

COLOURS OF OUR SOCIO-CULTURAL PRESENCE AND PARTICIPATION

"He who wishes to secure the good of others, has already secured his own."

– Confucius

Social work is a combination of social stability and social change. Social stability promotes individual and social welfare and social change seek to change negative aspects of society. Values are implicit within the law and policy and these tend to reflect the values within society. Personal values can influence the way social workers interpret and implement their activities. We, the members of the revered Fakir Mohan (AUTO) family tried our best to set an example and taken up several activities as responsible future citizens of our

great mother land. Apart from the awareness programmes carried out by us. Our teams were present everywhere with the people – may it be at the various religious and public gatherings to provide required services to the hospital with the victims of the dreaded train mishap of Bahanaga. Our volunteers of NCC, NSS AND YRC were present at all those places where there was a requirement. We are grateful to all those who gave us a chance to serve them. Presenting here a few mementoes.

@ Bahanaga.....We are always there to help.

Inauguration of Social Activities: Drug Abuse@Keshpur

donation
camps.

Saving a life won't cost you anything. Go ahead donate blood

COLOURS OF CEREMONY AND CULTURE

COLOURS OF CEREMONY AND CULTURE

A nation's culture resides in the hearts and in the soul of its people.- M.K. GANDHI

COLOURS OF ACHIEVEMENTS OF OUR TEACHERS

DR SEBATI MALLIK, HOD, Sociology has presented a research paper titled on "Impact of Migration on Mountains with Special Reference to Uttarakhand Himalayas in India" in the World Congress of Sociology-2023 organized by the International Sociological Association @ Melburne, Australia. The study is based on primary data collected from Malethi village in Ekeswar block, Satpuli Sub-Division in Pouri District of Uttarakhand

It is a matter of great pride that DR SANTOSH KUMAR NAYAK, HOD, Odia, has Participated and Contributed as a language expert in the preparation of Comprehensive Glossary of Chemistry (English-Hindi-Odia) under the auspices of CSTT, Ministry of Education, Govt of India, New Delhi. Dr Nayak has consistently produced artistic

and critical theories and several scholars have conducted research on his works. His artistic skills are unmatched as he has written books of collected poems, short stories and critical analysis. Recently, the sixth edition of his Short Story collection Nishwasara Chhai has come to the readers. He is a keynote speaker and a prolific literary resource person.

COLOURS OF ACHIEVEMENTS OF OUR TEACHERS

DR PURNA CHANDRA PATRA, Assistant Professor of Physics made the institution and his department proud as his research project proposal 'LUMINESCENCE PROPERTIES OF PEROVSKITE MATERIALS FOR OPTO-ELECTRONIC DEVICES' is accepted for funding under the chief minister's funded research scheme.

DR. BISHNUPAD MOHANTY, Assistant Professor of Chemistry added a few feathers to our cap as his research project proposal 'DEVELOPMENT OF POROUS NICKEL IRON BI-METALLIC OXIDES NANO- PARTICLES FOR ELECTROCHEMICAL HYDROGEN EVOLUTION REACTION (HER)' is accepted for funding under the chief minister's funded research scheme.

DR UMABATI SAHOO Assistant Professor of Botany has written a book titled 'Introduction to Nano Biotechnology' Scientific International Publishing House. ISBN 9789357574754, this year and has also written research article, book chapters and review. One of her noteworthy works is Bio-Inspired Synthesis and Applications of Gold and Silver Nanoparticles Using Plants: A Comprehensive Review' in the book Modern Nano-technology ,Volume 2: Green Synthesis, Sustainable Energy and Impacts. Springer Nature Switzerland AG 2023.
